Well..it's on again! No..not the federal election but the annual gathering of Pastor Danny Nulliah's Catch the Fire Ministries on Mt Ainslie (Canberra) to protest against the heathen and godless ones in federal parliament.

**(Tomorrow) Saturday morning 14th August, 10am till noon.**

Pastor Danny will exorcise the federal parliament. The Sex Party will unveil their religion policy. The greatest chariot races since Ben Hur and the most fiery religious debates you'll ever see. Lesbian flag wavers go head to head with cross-wielding believers. White suited pastors up against the yellow shirted Sex Party candidates.

See Pastor Danny Nulliah debate the Sex Party's Robbie Swan overlooking the Parliamentary Triangle. Pastor Danny claims it is representative of the Holy Trinity. Robbie Swan says it represents a threesome. Who's right? Who's belief shall reign supreme?!!  
Be there or be...triangled!

Robbie Swan

•• Pastor Danny says "Let us VOTE for Godly leaders who will continue to protect our Judeo-Christian heritage so that our Sons & Daughters will enjoy the freedoms we value so much in our nation."

The Catch The Fires prayer points include:

- Pray for a Prime Minister to be elected who will Honour God.
- Pray for many Christians to be elected into Parliament from all political parties.
- Pray for un-godly leaders to be removed from Government.
- Pray for Christian leaders to be bold in encouraging their congregation to vote for those with Christian Moral values.
- Pray for the protection of our Judeo-Christian heritage.
- Pray for righteousness to exalt the nation.
- Pray for the Holy Spirit to lead people in whom to vote for.

Rest assured, The Sex Party's policy on religion does not include any of those points  
All Sex Party supporters who come along will receive a Sex Party t-shirt.
