Thank you to everyone who came along to the first ever ACT Sex Party 'Gathering', held earlier this month. We had a great time, there was much discussion about a variety of topics relevant to the Sex Party and we were even graced by a visit from Fiona Patten, the president of the Sex Party herself!

All in all it was a very successful night, our fantastic ACT members, volunteers and general enthusiasts were able to meet up, chat and see what was going on with the party and each other. There was plenty of discussion, including an informal debate about the Proposed Internet Filter as well as plenty of other topics related to Sex Party policy. Fiona Patten even reviewed the Sex Party's performance in the recent national election!

So, what does this mean? Well we'll be holding another gathering next month! Yay!

Tuesday the 2nd of November will be the next one and we'll be holding a gathering like this on the first Tuesday of the month, every month!

So, what can you do if you are in the ACT and want to get involved? Come along to the next gathering and give us your feedback!

We'd love to hear what you think about our get-togethers, if you want an official meeting or even ideas for fundraising. If you're thinking it and its sexy, we want to know!
