

'08 AVN Performer of the Year outranks Angelina Jolie, Jessica Alba

HOLLYWOOD— [Premiere.com](http://premiere.com) has released its list of the "40 Most Beautiful Hollywood Women." Locking the top spot is stunner Mila Kunis, closely followed by Freida Pinto (*Slumdog Millionaire*) and Moon Bloodgood (*Terminator Salvation*). Crashing the party at 13 is none other than 2008 AVN Female Performer of the Year Sasha Grey. *Forgetting Sarah Marshall*

Grey, who starred alongside *Premiere* magazine writer Glenn Kenney in Oscar-winning director Steven Soderbergh's indie project *The Girlfriend Experience*, outranks such notable beauties as Keira Knightly (21), Angelina Jolie (23), Olivia Wilde (29), Scarlett Johansson (31), and Jessica Alba (32).

Grey's next Hollywood film is the low budget Canadian slasher *Smash Cut*, co-starring cult horror legends David Hess (*Last House on the Left*) and Michael Berryman (*Hills Have Eyes*). The film is directed by Lee Demarbre (*Harry Knuckles and the Pearl Necklace*), *Jesus Christ Vampire Hunter* and stars Grey as an undercover news reporter investigating the death of her sister on the set of a horror movie.
